1 Background and overview of the My Aged Care provider portal

1.1 Purpose of the Guide

The My Aged Care Provider Portal User Guide – Part Two (Provider Portal User Guide) outlines how Commonwealth-funded service providers (you) will use the My Aged Care provider portal (provider portal).

The Provider Portal User Guide is split into two parts as follows:

- Part One provides an overview of the portal and describes the functions that an individual with the Administrator role in the provider portal will perform.
- Part Two (this document) provides an overview of the portal and describes the functions that an individual with the Team Leader or Staff Member role in the provider portal will perform.

It is recommended that this Guide is read after the My Aged Care Guidance for Providers document (Guidance for Providers) available at dss.gov.au/MyAgedCare. Guidance for Providers will help you to understand the new concepts and provide contextual information about functions that you will need to undertake via the provider portal.

Please note: due to the continued operation of the jointly government funded Home and Community Care programme in Victoria and Western Australia, the changes to My Aged Care in 2015 differs in these states. More information is available in Guidance for Providers.

1.1.1 What this Guide does not cover

This Guide does not cover:

- How to nominate the person in your organisation as your first Organisation Administrator in the provider portal. If you require information about how to nominate your first Organisation Administrator, please contact the Department of Social Services (the Department) at myagedcare@dss.gov.au.
- Detailed instructions on how to obtain an AUSkey. Information about how to obtain an AUSkey can be found at <https://abr.gov.au/AUSkey/>.

1.2 Document key

This is used to highlight a point that all service providers need to pay particular attention to.

Staff Member

Team Leader

Administrator

This is used to highlight a function that a person with a particular role within the provider portal (Administrator, Team Leader, Staff Member) can undertake.

The latest version of this document is available at dss.gov.au/MyAgedCare.

Administrator

Team Leader

Staff Member

1.3 Key Terms

Table One: Key terms and descriptions

Key term	Description
ACAT	Aged Care Assessment Teams (ACATs) conduct face-to-face comprehensive assessments to determine a client's eligibility for care types under the <i>Aged Care Act 1997</i> , with approval subject to a decision by an ACAT Delegate.
Action plan	A summary of the outcomes of screening conducted by My Aged Care contact centre staff. An action plan includes information about activities that will facilitate appropriate assessment or service referrals. Assessors, service providers and clients can view a client's action plan via the My Aged Care portals.
Administrator	<p>The person nominated on the My Aged Care Organisation Administrator Registration Form to be the first person from an organisation to log in to the My Aged Care provider portal. A person can also be assigned an Administrator role within the portal for either the organisation or one or more outlets.</p> <p>Administrators are responsible for setting up the organisation, including managing outlets, services information and staff accounts for all outlets in the portal.</p> <p>Administrators for particular outlets are responsible for managing services and staff accounts only for the outlets they are assigned.</p>
AUSkey	AUSkey is a secure login that identifies you when you use participating government online services on behalf of your business. AUSkeys are obtained from the Australian Business Register, and registration is free.
CHSP	<p>From 1 July 2015, the Commonwealth Home Support Programme (CHSP) will bring together:</p> <ul style="list-style-type: none"> • Commonwealth Home and Community Care (HACC) Program • Planned respite from the National Respite for Carers Program (NRCP) • Day Therapy Centres (DTC) Program • Assistance with Care and Housing for the Aged (ACHA) Program.
Client record	<p>People seeking access to aged care services will have a client record created by My Aged Care contact centre staff. The client record will include client details (and carer or representative details), details about assessments and the action support plan(s), and information about service(s) received. Clients will be asked to provide consent to enable their client record to be created and shared with assessors and service providers.</p> <p>Assessors and service providers will update information on the client record, and clients and their representatives will be able to view this information on the My Aged Care client portal, via myGov.</p>

Key term	Description
Client service information	Information about services that a provider delivers to a client. The provider is required to enter this information on the client record via the My Aged Care provider portal. Clients and their representatives will be able to view this information on the My Aged Care client portal, via myGov.
Inbound referral form	An online form accessed from the My Aged Care website. The form can be used to recommend a person for aged care services. The form may initiate registration, screening, assessment and referral for service.
NSAF	National Screening and Assessment Form (NSAF) used by My Aged Care contact centre staff and assessors (RAS and ACATs) to ensure a nationally consistent and holistic screening and assessment process.
Outlet	Represents how service providers organise their services in the provider portal. An outlet could represent a physical location, like a residential care facility, or a section of an organisation that delivers services, like home support, to a particular area. Electronic referrals will be sent by My Aged Care contact centre staff and assessors for services organised within the outlet(s). Service provider staff will also be allocated to outlets.
RAS	The My Aged Care Regional Assessment Service (RAS) will conduct a face-to-face home support assessment for clients needing access to Commonwealth Home Support Programme (CHSP) services.
Reassessment	A reassessment will be undertaken when there is a significant change in a client's needs or circumstances which affect the objectives of the existing support plan.
Referral code	A five digit code given to the client by My Aged Care contact centre staff, or assessors to allow them to visit different service providers to discuss their needs prior to choosing their preferred provider. Referral codes are generated for individual services. Clients can choose to have a referral code given to them or choose an electronic referral method.
Referral for assessment	A referral sent by My Aged Care contact centre staff requesting an assessment (home support or comprehensive) for a client.
Referral for service	A referral sent by either My Aged Care contact centre staff or assessors requesting a service for a client. Referrals can be sent electronically, or a client can be issued a referral code.
Representative	Clients can nominate one or more representative(s), (e.g. a carer), to act on their behalf. The My Aged Care system enables a representative to be classified as Regular or Authorised. You will also need to indicate a 'representative type': Financial, Care, or Financial and Care. Regular Representatives are nominated by the client, for instance a family member can be nominated as a representative so they can view the client record. This consent can be given verbally, in writing or in any other way that communicates the authority to act on behalf of the client.

Key term	Description
	<p>Authorised Representatives are generally able to act for a client based on provisions within federal, state or territory law, for instance, Power of Attorney.</p> <p>When adding a representative to a client's record, you must indicate that consent has been obtained from all parties in order for the relationship to be established in the system.</p>
Review	An evaluation of a client's support plan undertaken by the RAS. A review can be requested by the client, service provider, or scheduled by an assessor. The review may result in a change in services, or a further assessment.
Service delivery area	The area where an organisation delivers services. This can be from a set location (provider location) or to an area where the service is provided to the client in their own home (at client location).
Service finders	A search function available on the My Aged Care website that allows an individual to view information about services.
Staff Member	A person who is assigned a Staff Member role in the provider portal will be responsible for adding and updating client service information on the client record.
Support plan	A plan developed by the RAS or ACAT with the client. The support plan identifies the client's needs, goals and service preferences. Assessors and service providers will be able to view a client's support plan via the My Aged Care portals. Clients and their representatives will be able to view this information on the My Aged Care client portal via myGov.
Team Leader	A person who is assigned the Team Leader role in the provider portal will have the same functions as a Staff Member role in the portal, and additionally, be responsible for managing referrals.
Wallet check	An identification check that an assessor or service provider will undertake to ensure duplicate client records are not created. The wallet check involves sighting two documents that identify the client, and noting this on the client's record.

1.4 Introduction

1.4.1 What the provider portal is used for

The provider portal is used to:

- Manage information about the services you provide
- Manage referrals for service(s) issued by My Aged Care contact centre staff or assessors by accepting, rejecting, or placing on a waitlist
- Update client records with information about services being delivered
- Request that an assessor undertakes a new assessment of the client
- Generate reports.

1.5 Preparing to access the provider portal

The steps to prepare to access the provider portal are outlined below.

1.5.1 AUSkey and technology requirements

Prior to accessing the My Aged Care provider portal, each staff member who will use the provider portal need their own AUSkey that is linked to an individual email address. They will need this prior to logging on for the first time.

1.5.2 What is AUSkey?

AUSkey is a secure login that identifies you when you use participating Government online services on behalf of your business. Obtaining an AUSkey is a simple process and is free. Many organisations already use an AUSkey to interact with other Government services. Each AUSkey is linked to an Australian Business Number (ABN) and can be stored on a computer or a USB stick for staff that use multiple windows-based computers.

If your organisation does not currently use AUSkey, your organisation must register for an Administrator AUSkey. To register for the first AUSkey you need to be an eligible associate recorded on the Australian Business Register (ABR) for that ABN. You can register yourself or someone else for the first AUSkey. The first person to be registered will have an Administrator AUSkey and can set up other AUSkey Administrators within the organisation.

After the first AUSkey is issued, there can be unlimited AUSkeys linked to that ABN. In most cases, each person wanting to use participating government online services on behalf of a business must have a separate AUSkey. The registration process for subsequent AUSkey users depends on the type of AUSkey you need.

What you will need to provide to register for an AUSkey is outlined below:

Administrator AUSkey	<ul style="list-style-type: none">• the ABN of the business you want the AUSkey to be linked to;• your full legal name;• your date of birth; and
----------------------	--

	<ul style="list-style-type: none">• an email address that only you have access to.
Standard AUSKey for other Staff	<ul style="list-style-type: none">• an Administrator AUSKey user's email address;• your full legal name; and• an email address that only you have access to.

The Administrator AUSKey holder is also able to set up Standard AUSKeys for all staff who will use the provider portal. Administrator AUSKey holders can upload all staff AUSKeys in a batch by uploading a CSV file to ABR (for more information go to the ABR website <https://abr.gov.au/AUSkey/Help-and-support/Registering-for-AUSkey-troubleshooting/Register-more-than-one-person/>). Alternatively, staff are able to self-register online.

1.5.3 What will you need to use an AUSKey?

You will need a computer with an internet connection and a standard internet browser that supports AUSKey, such as Internet Explorer, Safari or Firefox. To use AUSKey you will need to use an alternative browser that is compatible.

As of April 2015, AUSKey is no longer compatible with Google Chrome. To use AUSKey you will need to use an alternative browser that is compatible.

To use AUSKey to log in to the provider portal, the computer will need certain software installed. If you and your staff do not have administration rights to the computer, you will need to consult your organisation's IT support area to ensure the appropriate software is installed.

1.5.4 Organisation access requirements

To access the provider portal, your organisation must nominate an individual to be your Organisation Administrator (a role within the provider portal). As with other staff members, the Organisation Administrator must have an AUSKey. This person is the first person from your organisation to log in to the portal. They will be responsible for setting up organisational details and access to the portal for other staff. If you require further information about how to nominate your Organisation Administrator, please email the Department at myagedcare@dss.gov.au.

1.5.5 Where can you go for more information?

Further details of software and compatibility can be found at <https://abr.gov.au/AUSkey/Help-and-support/Setting-up-AUSkey-troubleshooting/AUSkey-compatibility/>

For more information: visit the Australian Business Register (ABR) website at <https://abr.gov.au/AUSkey/> or call the ABR national service desk (1300 287 539).

It is also possible to send an email query to the Australian Taxation Office (ATO) technical helpdesk technical.help@ato.gov.au

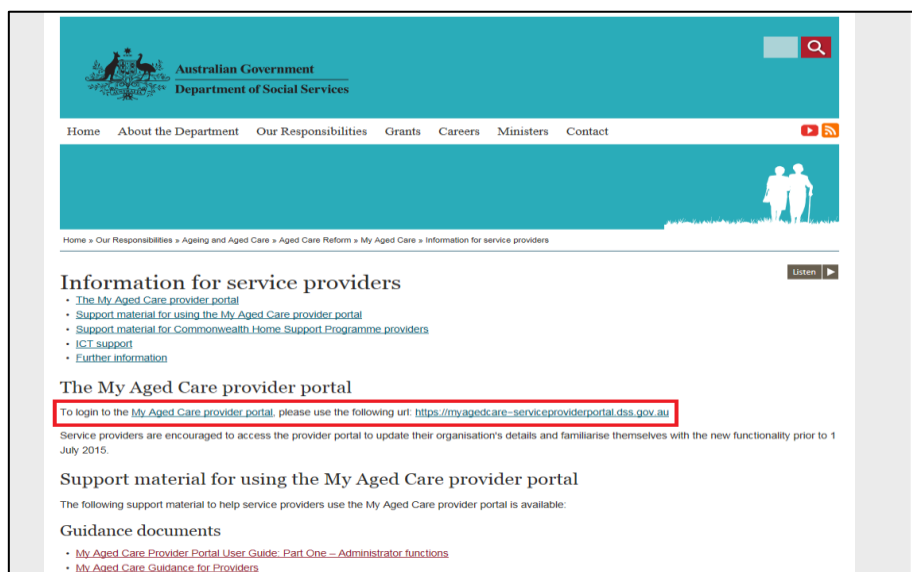

1.6 How to login to the provider portal

The steps you need to follow to log in to the provider portal (after the first time) are outlined below. The first time log in process is different. The steps you need to take to log in for the first time are outlined in **Attachment A**.

You must have an individual AUSKey linked to your organisation to access the provider portal. For more information about the AUSKey registration process, visit <https://abr.gov.au/AUSkey/>.

Step One: Go to the 'Information for service providers' section of the DSS website (<https://www.dss.gov.au/information-for-service-providers>) and select the 'My Aged Care Provider Portal' link. The provider portal can also be accessed at: <https://myagedcare-serviceproviderportal.dss.gov.au>

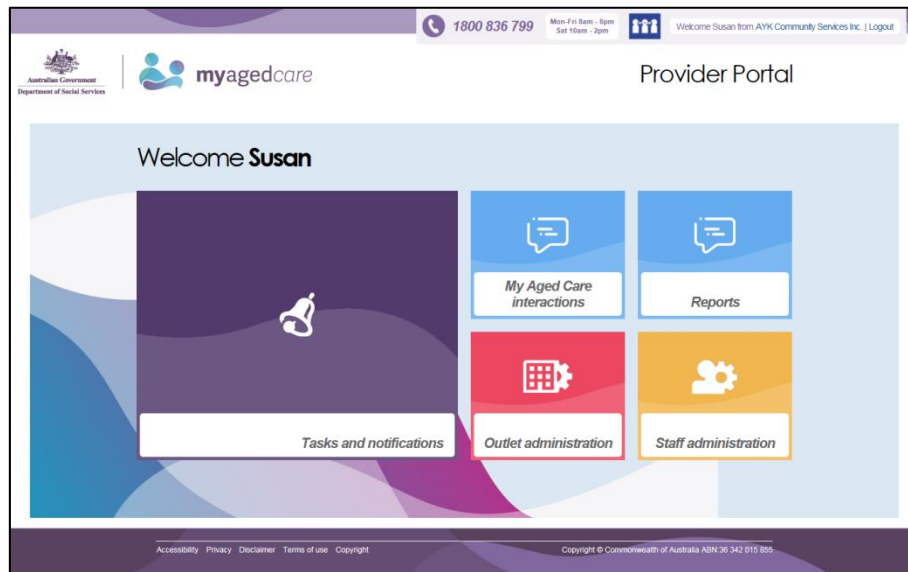

Step Two: An Australian Government 'Authentication Service' page will be displayed. Select your AUSKey credentials from the drop down list. Enter your AUSKey password and select 'Continue'.

Login

You have been redirected to the Government Authentication Service.
This service requires that you identify yourself using your Credential.
The information on your Credential will be returned to the Agency with which you are doing business.
Please select your Credential and enter your password.

Select: Marshall, Bruce - 38 291 527 201 - Password:

Step Three: After you select 'Continue' the provider portal homepage will be displayed.

1.7 Staff roles in the provider portal

People can be allocated a number of roles (Administrator, Team Leader, Staff Member) for one or more outlets in the provider portal. To view different outlets in the provider portal, select the outlet name in the top right hand corner.

People can be assigned more than one role in the provider portal at the same time. If you are assigned more than one role, your portal homepage will display the functions for all the roles you are assigned, as seen in Section 1.7.1.

The first person from your organisation to log in to the provider portal will be responsible for assigning roles to other staff. This will be the person who was nominated on the My Aged Care Organisation Administrator Registration Form. This person will have an Administrator role in the portal.

This person may choose to assign more Administrator roles to other staff to help them to set up their organisation in the portal. Administrator roles can be assigned at an organisation level, or for sections of the organisation (known as outlets in the portal).

The table below outlines the functions for each role within the provider portal. It includes both client focused and organisation focused tasks.

	Key Functions	Roles		
		Administrator	Team Leader	Staff Member
Client Focused	Search for a client record		✓	✓
	View client records		✓	✓
	View referrals		✓	✓
	Accept and reject referrals		✓	
	View tasks and notifications	✓	✓	✓
	View My Aged Care interactions	✓	✓	✓
	Add client service information		✓	✓
Organisation Focused	Request change to contractual information	✓		
	Manage outlets: add, edit, activate, deactivate	✓		
	Manage services: add, edit, activate, deactivate	✓		
	Manage staff accounts: add, edit, deactivate	✓		

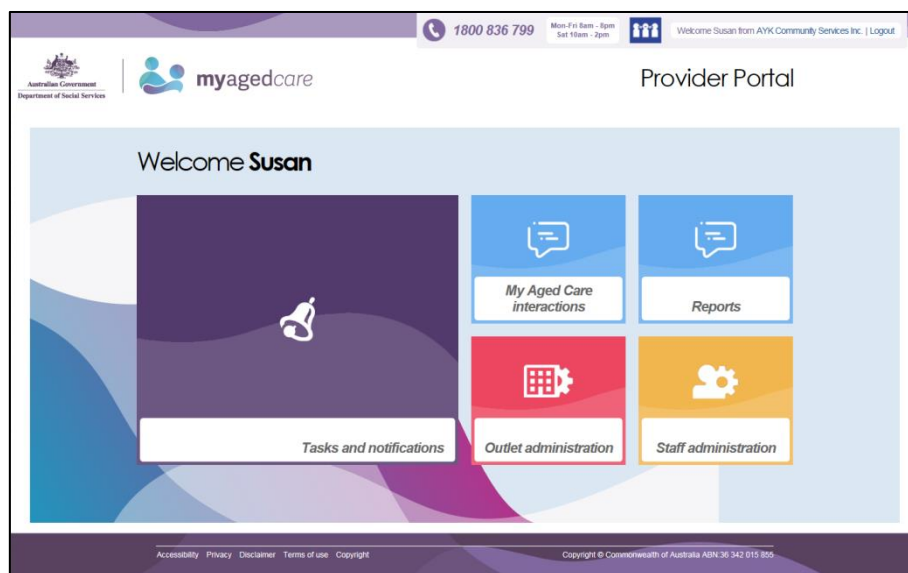

The role(s) assigned to staff will apply to them across all outlets to which they are assigned.

For more information about roles to staff in the provider portal, see Guidance for Providers, available at dss.gov.au/myagedcare.

1.7.1 Homepage views

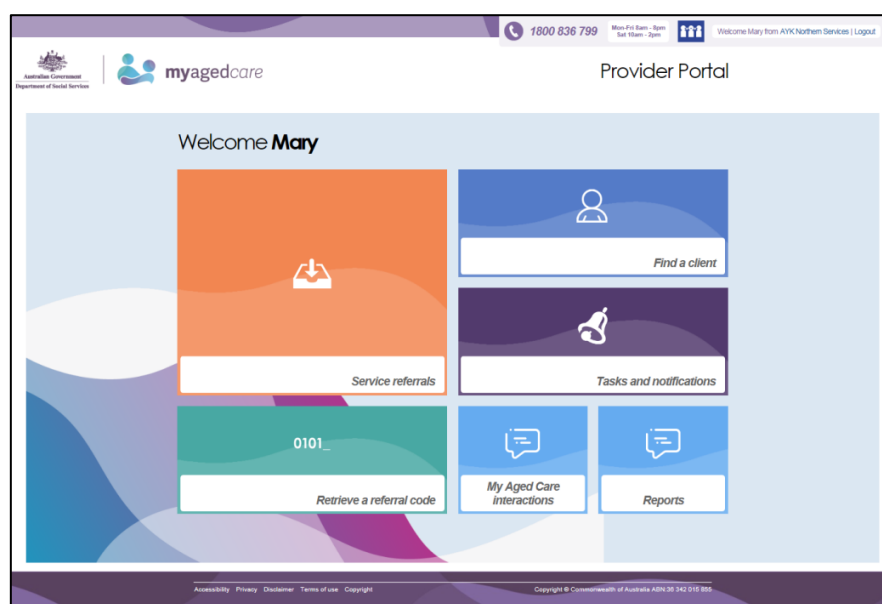

1.7.1.1 Administrator homepage

If you log in to the provider portal as an Administrator, you will see 'Tasks and notifications', 'My Aged Care interactions', 'Reports', 'Outlet administration' and 'Staff administration' buttons on your homepage.

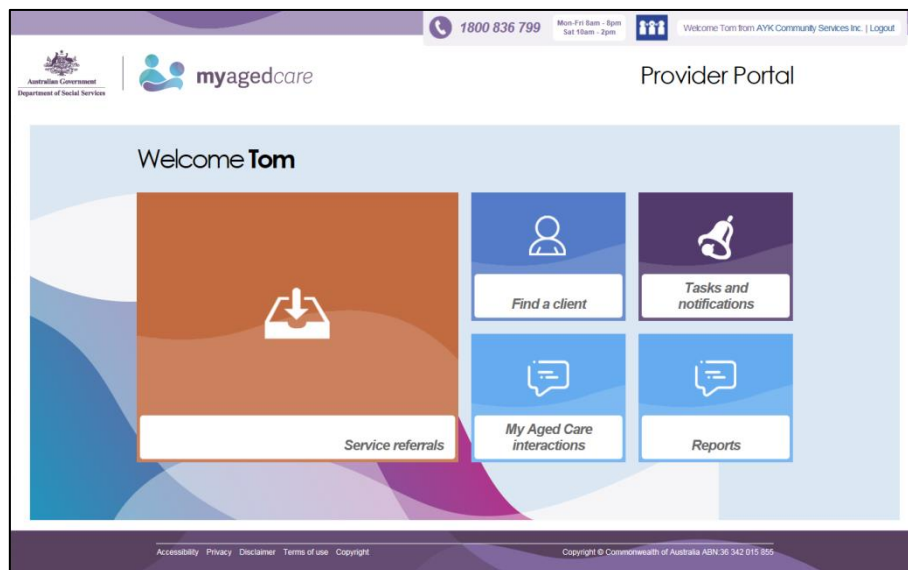

1.7.1.2 Team Leader homepage

If you log in to the provider portal as a Team Leader, you will see 'Service referrals', 'Find a client', 'Tasks and notifications', 'My Aged Care interactions', 'Reports' and 'Retrieve a referral code' icons on your homepage. In addition to the functions of Staff Members, Team Leaders manage referrals.

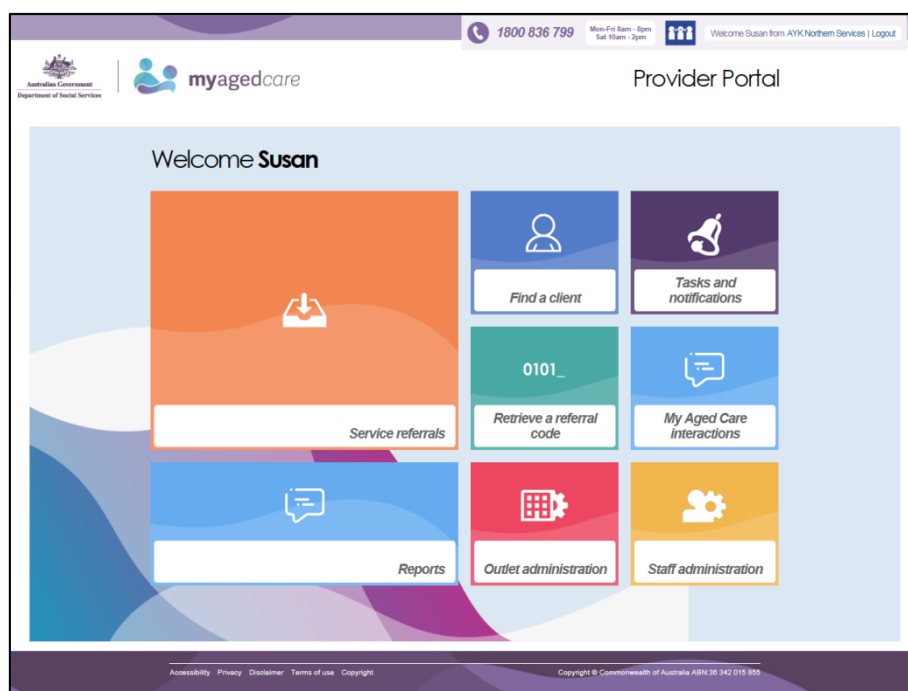

1.7.1.3 Staff Member homepage

If you log in to the provider portal as a Staff Member, you will see 'Service referrals', 'Find a client', 'Tasks and notifications', 'My Aged Care interactions' and 'Reports' buttons on your homepage.

1.7.1.4 Homepage for person assigned Administrator, Team Leader and Staff Member role in the provider portal

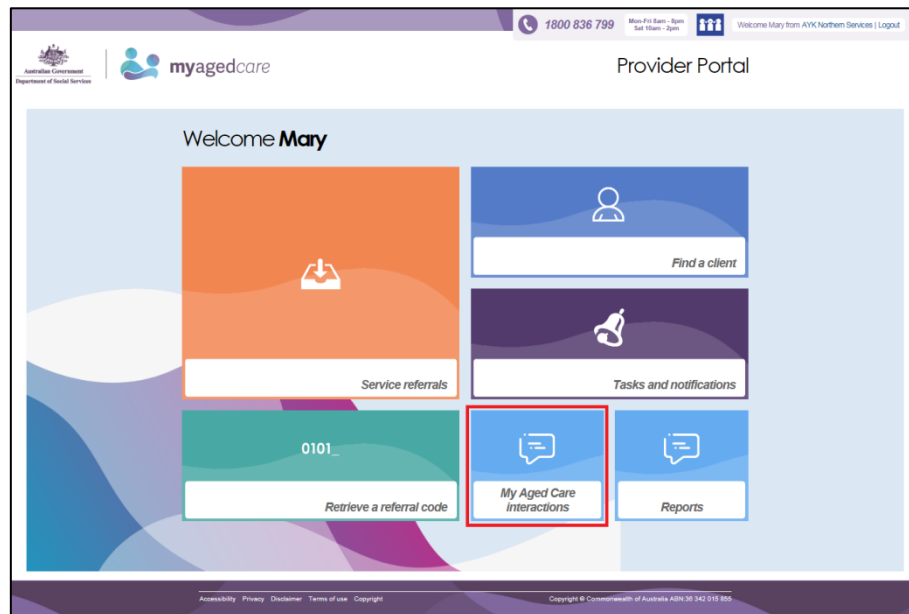

If you log in to the provider portal as a user with Administrator, Team Leader and Staff Member roles, you will see the functions for all of these roles on the homepage.

1.8 Further information, enquiries and technical support

A My Aged Care service provider and assessor helpline (1800 836 799) is available. The helpline answers enquiries relating to the My Aged Care system and provides technical support. The helpline will be available between 8am to 8pm Monday to Friday and 10am to 2pm Saturday, local time across Australia.

You can view a record of enquires you have made to the helpline via the provider portal, by selecting the 'My Aged Care Interactions' button on the homepage.

Further information to support the use of the provider portal (including fact sheets, videos, FAQs) is available at: www.dss.gov.au/MyAgedCare.

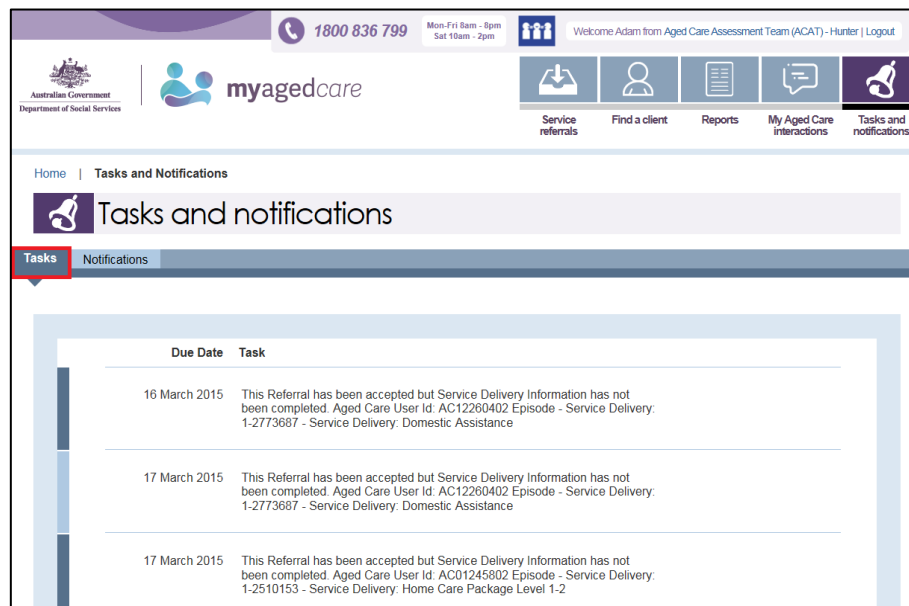

1.9 Viewing tasks and notifications

You can view tasks and notifications in the provider portal. More information is available in Guidance for Providers. The steps to view tasks and notifications are outlined below.

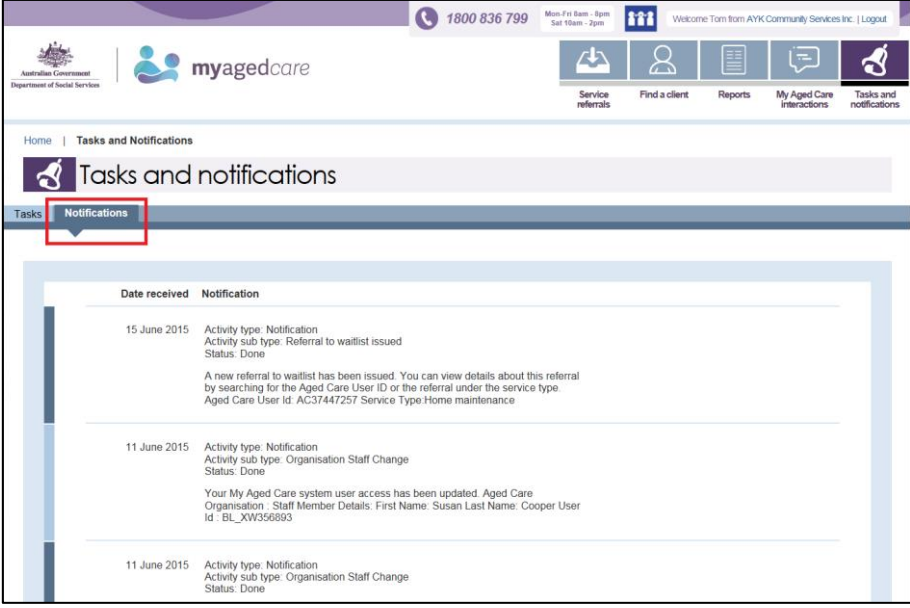

Step One: From the provider portal homepage select 'Tasks and notifications'.

Step Two: To view the tasks for your organisation, select 'Tasks'.

Step Three: To view notifications for your organisation, select 'Notifications'

The screenshot displays the My Aged Care Provider Portal interface. At the top, there is a header bar with the Australian Government Department of Social Services logo, the 'myagedcare' logo, a phone number '1800 836 799', and a user welcome message 'Welcome Tom from AYK Community Services Inc. | Logout'. Below the header, a navigation bar contains icons for 'Service referrals', 'Find a client', 'Reports', 'My Aged Care interactions', and 'Tasks and notifications'. The 'Tasks and notifications' section is active, showing a sub-header 'Tasks and notifications' and a tabbed interface with 'Tasks' and 'Notifications'. The 'Notifications' tab is selected and highlighted with a red box. Below the tabs, a table lists notifications received.

Date received	Notification
15 June 2015	<p>Activity type: Notification Activity sub type: Referral to waitlist issued Status: Done</p> <p>A new referral to waitlist has been issued. You can view details about this referral by searching for the Aged Care User ID or the referral under the service type. Aged Care User Id: AC37447257 Service Type Home maintenance</p>
11 June 2015	<p>Activity type: Notification Activity sub type: Organisation Staff Change Status: Done</p> <p>Your My Aged Care system user access has been updated. Aged Care Organisation : Staff Member Details: First Name: Susan Last Name: Cooper User Id : BL_XW356893</p>
11 June 2015	<p>Activity type: Notification Activity sub type: Organisation Staff Change Status: Done</p>

2 Team leader role

All referrals for service(s) from the My Aged Care contact centre and assessment organisations are managed by the person (or people) assigned the Team Leader role in the provider portal for each outlet.

The Team Leader performs this function in addition to the functions they perform as a Staff Member in the provider portal.

Further information about the management of referrals, including the information contained in a referral, is in Guidance for Providers available at dss.gov.au/myagedcare.

2.1 Managing referrals

Once a referral is received, Team Leaders will manage referrals in the following ways:

- Accept the referral
- Reject the referral
- Waitlist the referral

Referrals for service will be for individual services. Service providers will either receive referrals electronically or via a referral code, depending on the client's preferences, and incoming referrals have a priority status (low, medium, high). For more information about priority statuses, including timeframes for action, see Guidance for Providers.

If a provider needs to reject a referral after they have accepted it, they will need to call the My Aged Care contact centre.

2.2 Entering a referral code

Clients can choose to have a referral code given to them rather than choosing an electronic referral method. Clients seeking to access residential care services are likely to choose to have a 'Referral code' given to them. This code allows clients to visit different facilities to discuss their needs with service providers prior to choosing their preferred provider.

Referral codes are generated for services. If a client requires multiple services, they will be given a referral code for each service.

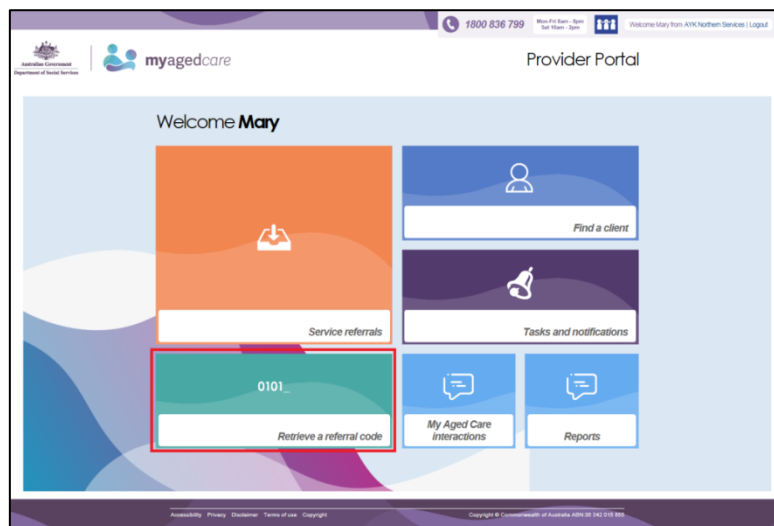

The referral code allows the service provider to access the client record (including the client's action and support plans) to assist discussions and, if chosen by the client, to accept the referral.

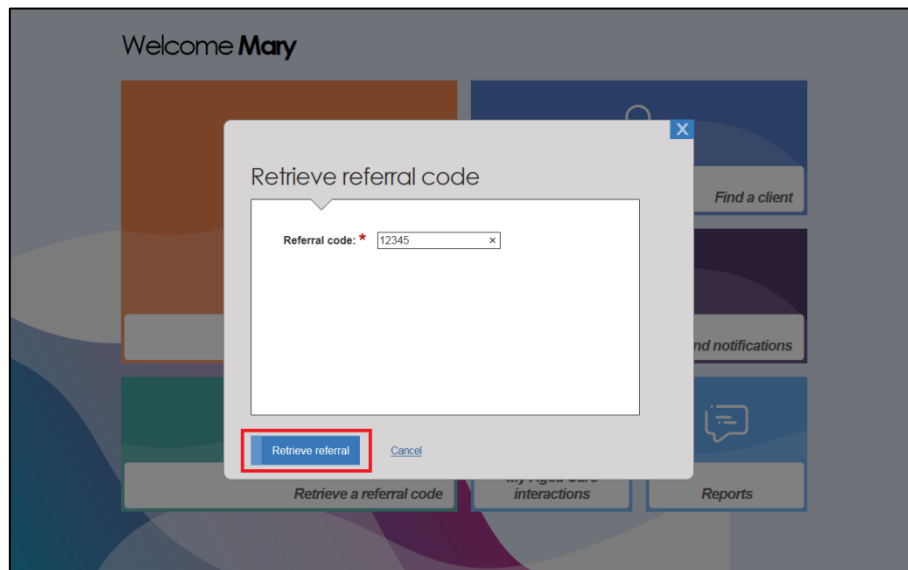

When you 'Retrieve a referral code' via the provider portal, you do not automatically accept the referral for service(s). You need the client's consent to accept the referral.

The steps for entering a referral code (so that a client record can be viewed) are outlined below.

Step One: From the homepage select 'Retrieve a referral code'.

Step Two: Enter the client's referral code and select 'Retrieve referral'. The referral will be added to your 'Incoming referral' list. To accept the referral, follow the steps in Section 2.4.

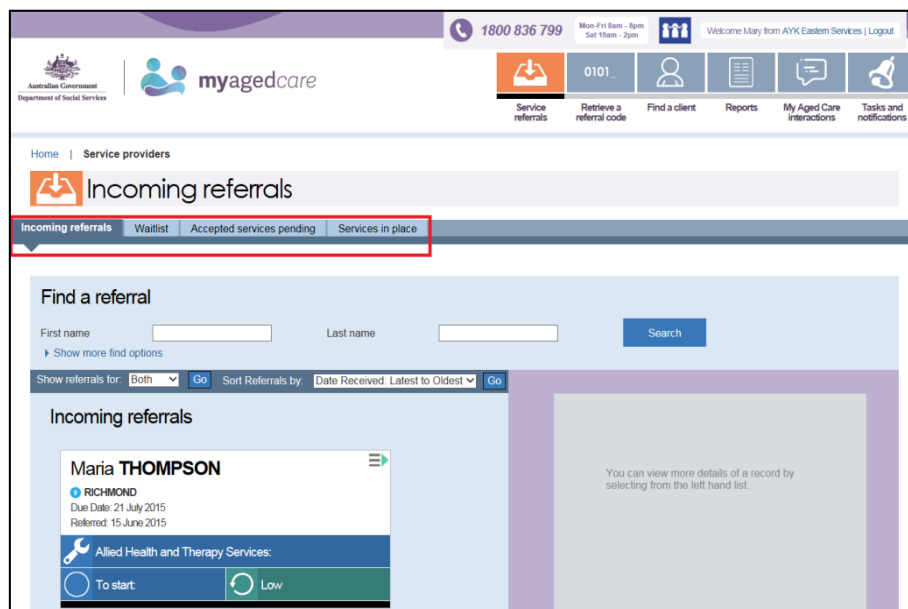

2.3 Viewing referrals

To view referrals, follow the steps below.

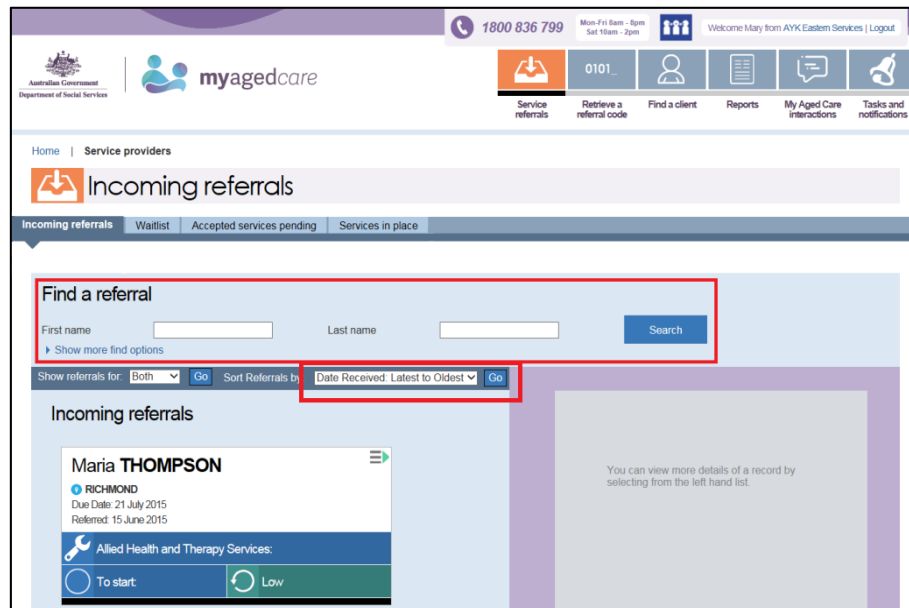

Step One: Select 'Service referrals' from the homepage.

Step Two: You will be able to select 'Incoming referrals' (shown in the screenshot below), 'Waitlist', 'Accepted services pending', or 'Services in place'.

If you are searching for a particular referral, you can use the 'Find a referral' feature by entering a first or last name.

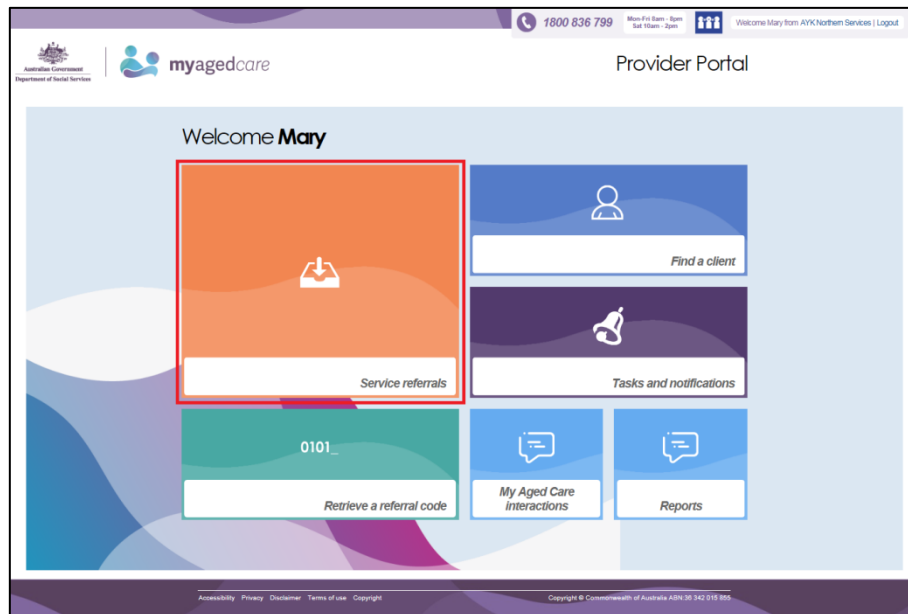

Alternatively, you can view all incoming referrals. You can choose to view referrals for service or waitlist, or both. These referrals can also be sorted by:

- Start Date: Latest to Oldest
- Start Date: Oldest to Latest
- End Date: Latest to Oldest
- End Date: Oldest to Latest
- Client Last Name: A to Z
- Client Last Name: Z to A
- Priority: High to Low
- Priority: Low to High
- Service Type: A to Z
- Service Type: Z to A

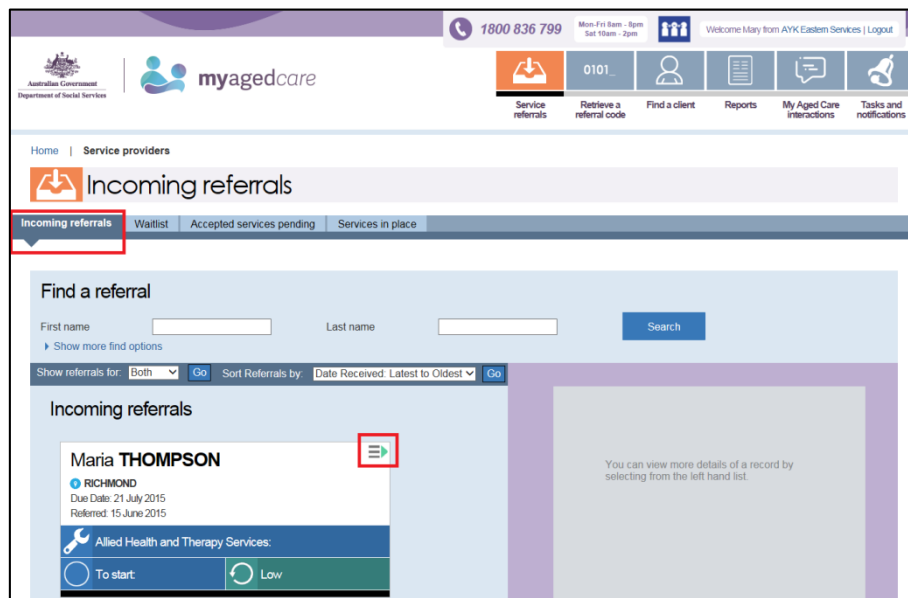

2.4 Accepting a referral

The steps to accept a referral are outlined below.

Step One: To find a referral from the provider portal homepage, select 'Service referrals'.

Step Two: Select the 'Incoming referrals' tab and then select the arrow on the 'Client card' you want to view.

Step Three: A summary of a client's information will be displayed on the right hand side of the screen. You can view client information by selecting the 'View referral summary and client record'. To accept a referral, select 'Accept referral'.

The screenshot shows the 'Find a referral' interface. At the top, there are search fields for 'First name' and 'Last name', and a 'Search' button. Below this, there are filters for 'Show referrals for: Both' and 'Sort Referrals by: Date Received: Latest to Oldest'. The main area is titled 'Incoming referrals' and lists two referrals:

- Maria THOMPSON**
RICHMOND
Due Date: 21 July 2015
Referred: 15 June 2015
Service: Allied Health and Therapy Services
Status: To start (Low)
- John ACER**
OSBORNE PARK
Due Date: 16 June 2015
Referred: 14 June 2015
Service: Home Care Package Level 1-2
Status: To start (High)

On the right side, a detailed view of the referral for Maria THOMPSON is shown. It includes the following information:

- About this referral**
Issued Date: 15 June 2015
Due Date: 21 July 2015
- About this service**
Service type: Allied Health and Therapy Services
Service sub type:
Recommended start date: none
Recommended review date: none
Recommended end date: none
- Referral comments**
View referral summary and client record (button)
- Accept referral** (button) and **Reject referral** (button)

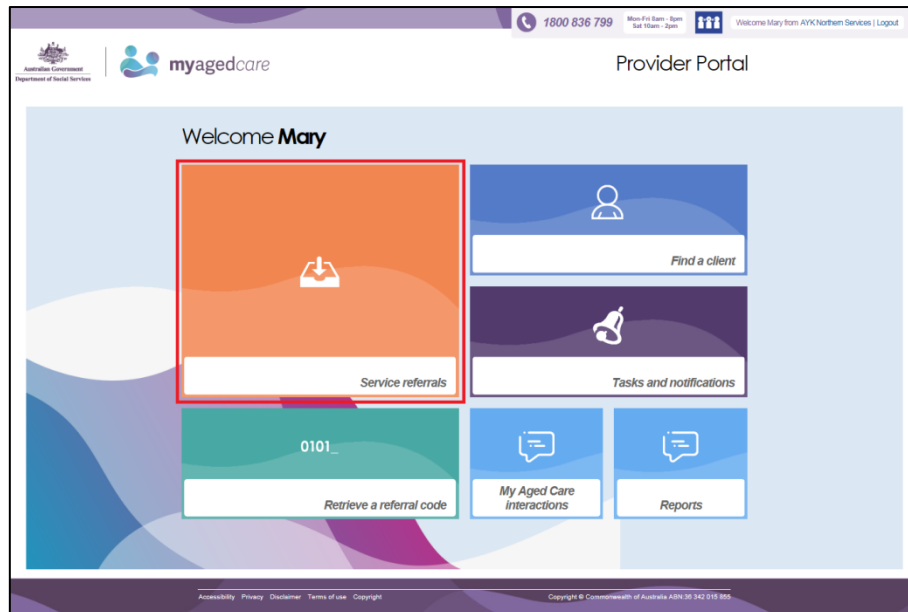

Step Four: Confirm that you want to accept the referral by selecting 'Accept'. The referral will then appear in the 'Accepted services pending' tab.

This screenshot shows the same 'Find a referral' interface as the previous one, but with a confirmation dialog box overlaid. The dialog box is titled 'Accept this referral for Maria Thompson' and contains a large empty text area for notes. At the bottom of the dialog, there are two buttons: 'Accept' (highlighted with a red box) and 'Cancel'.

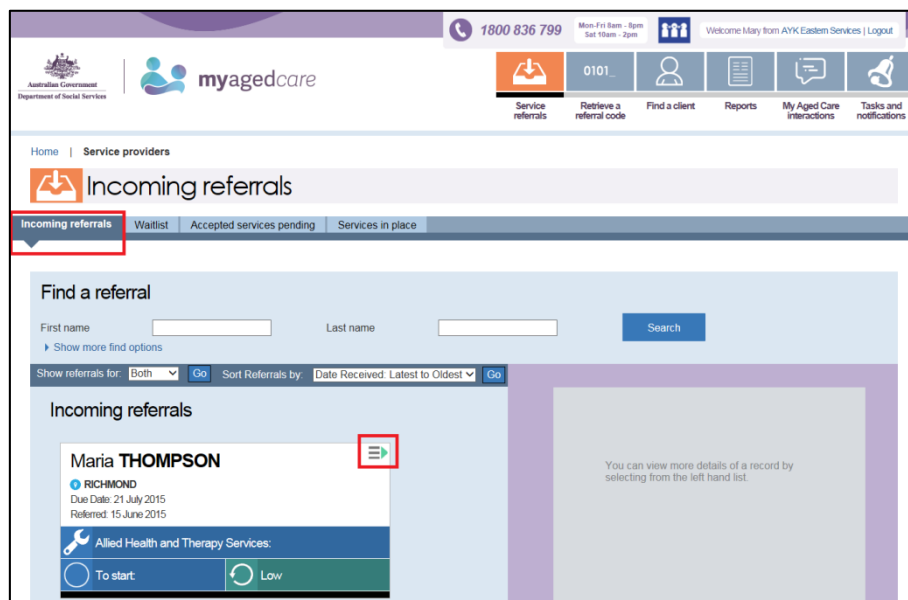

2.5 Rejecting a referral

The steps to reject a referral are outlined below.

Step One: From the homepage, select 'Service referrals'.

Step Two: Select the 'Incoming referrals' tab and then select the arrow on the 'Client card'.

Step Three: A summary of a client's information will be displayed on the right hand side of the screen. To reject the referral, select 'Reject referral'.

The screenshot displays the 'Find a referral' interface. At the top, there are search fields for 'First name' and 'Last name', and a 'Search' button. Below this, a 'Show referrals for:' dropdown is set to 'Both', and a 'Sort Referrals by:' dropdown is set to 'Date Received: Latest to Oldest'. The main area is titled 'Incoming referrals' and lists two referrals:

- Maria THOMPSON**
• RICHMOND
Due Date: 21 July 2015
Referred: 15 June 2015
Allied Health and Therapy Services
To start: [button] Low
- John ACER**
• OSBORNE PARK
Due Date: 16 June 2015
Referred: 14 June 2015
Home Care Package Level 1-2
To start: 14 June 2015 High

On the right side, a detailed view for Maria THOMPSON is shown. It includes her age (74), date of birth (19 April 1941), gender (Female), and a summary of the referral and service. At the bottom of this summary, there are two buttons: 'Accept referral' and 'Reject referral', with the latter highlighted by a red box.

Step Four: Select the 'Reason for rejection' of the referral from the list displayed, then select 'Reject'.

The screenshot shows the 'Reject referral' dialog box overlaid on the main interface. The dialog box contains the following information:

- Reject referral**
- You are about to reject the referral for Maria Thompson (Referral ID#1-66Y7X).
- Reason for rejection** (with a red asterisk):
 - ☒ Conflict of interest
 - ☐ Further info to be added
 - ☐ Insufficient capacity
 - ☐ No one accredited
 - ☐ Referral made in error
 - ☐ Service no longer required
 - ☐ Unable to process referral
 - ☒ Other
- Rejection reason:** [text input field]
- Would you like to allow a referral to a waitlist for client to be sent?
☐ Offer waitlist
- Buttons: **Reject** (highlighted with a red box) and **Cancel**.

 You must select a reason for rejecting the referral. If you select 'other' a free text box will display for you to include this information.

This information will inform future aged care service planning.

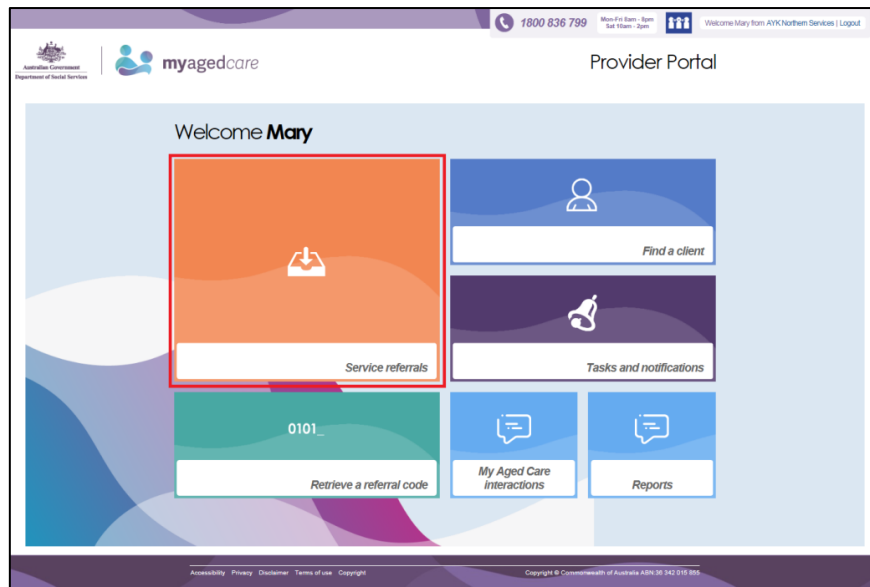

2.6 Waitlisting a client

If you choose to maintain a My Aged Care waitlist, you can accept clients to the waitlist.

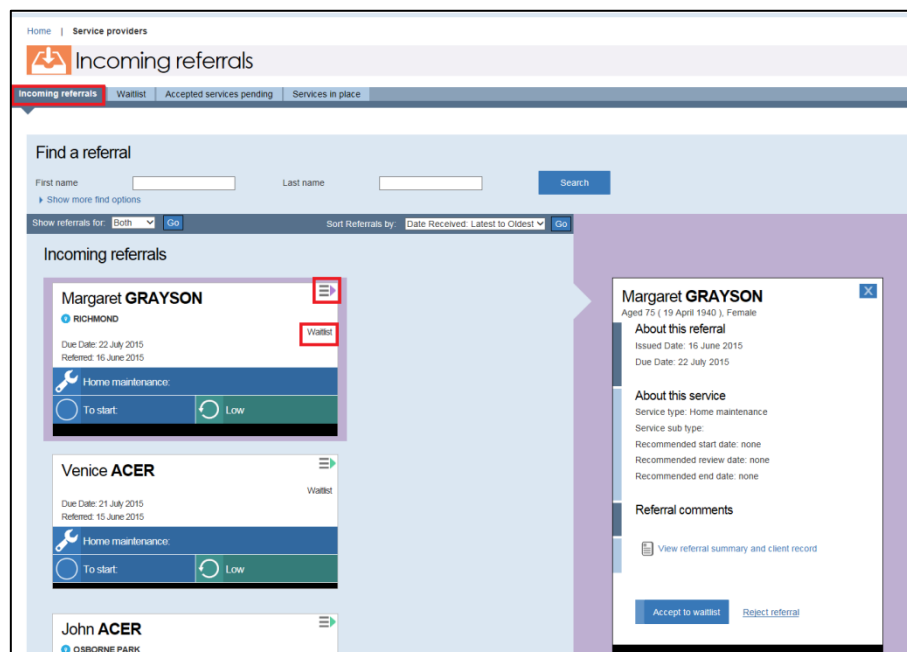

2.6.1 Accepting a referral to the waitlist

The steps to accept a referral to the waitlist are outlined below.

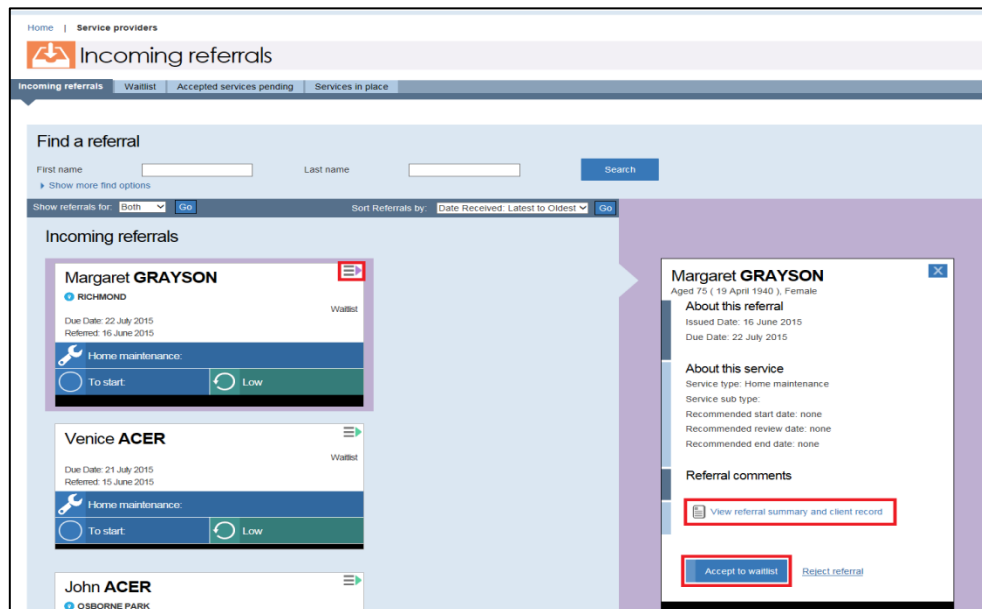

Step One: To find a referral to accept to the waitlist from the provider portal homepage, select 'Service referrals'.

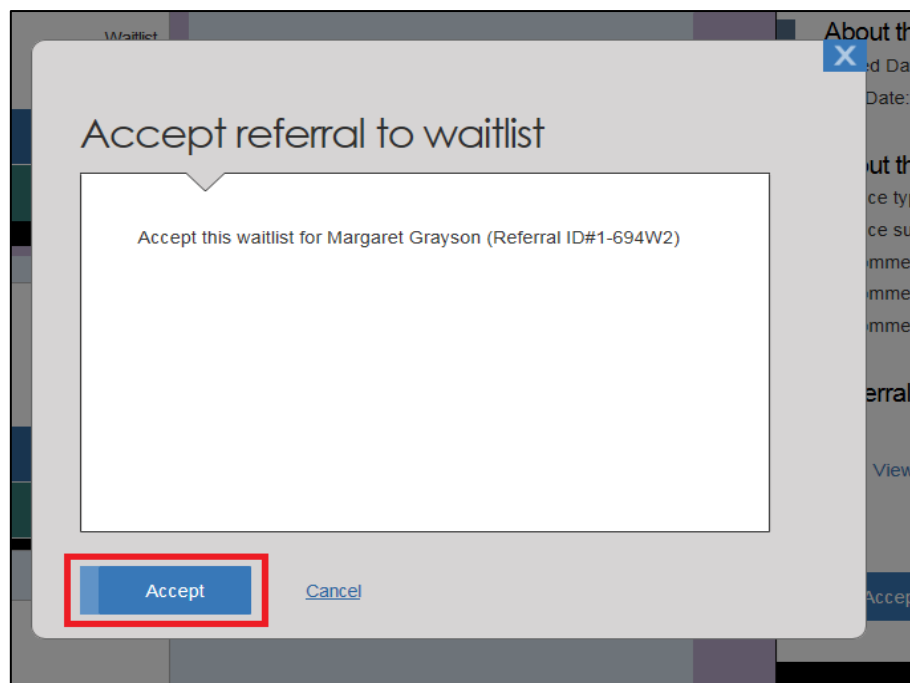

Step Two: Select the 'Incoming referrals' tab and then select the arrow on the 'Client card' you want to accept. Referrals to waitlist have 'Waitlist' on the 'Client card'.

Step Three: A summary of a client's information will be displayed on the right hand side of the screen. You can view client information by selecting the 'View referral summary and client record'. To accept the referral to the waitlist, select 'Accept to Waitlist'.

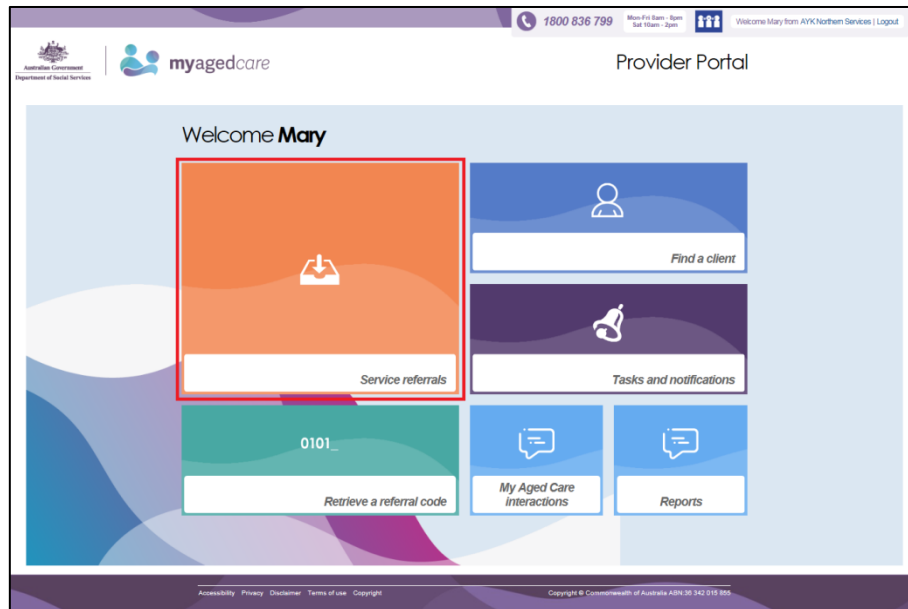

Step Four: Confirm that you want to accept the referral by selecting 'Accept'. The referral will then appear in the 'Waitlist' tab.

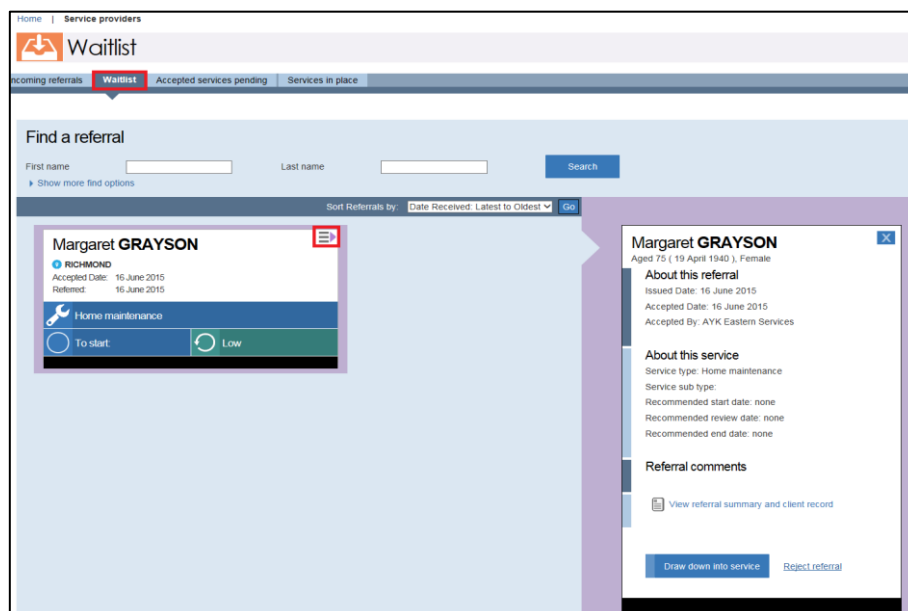

2.6.2 Moving a waitlisted referral into 'Accepted services pending'

The steps to accept a referral to the waitlist are outlined below.

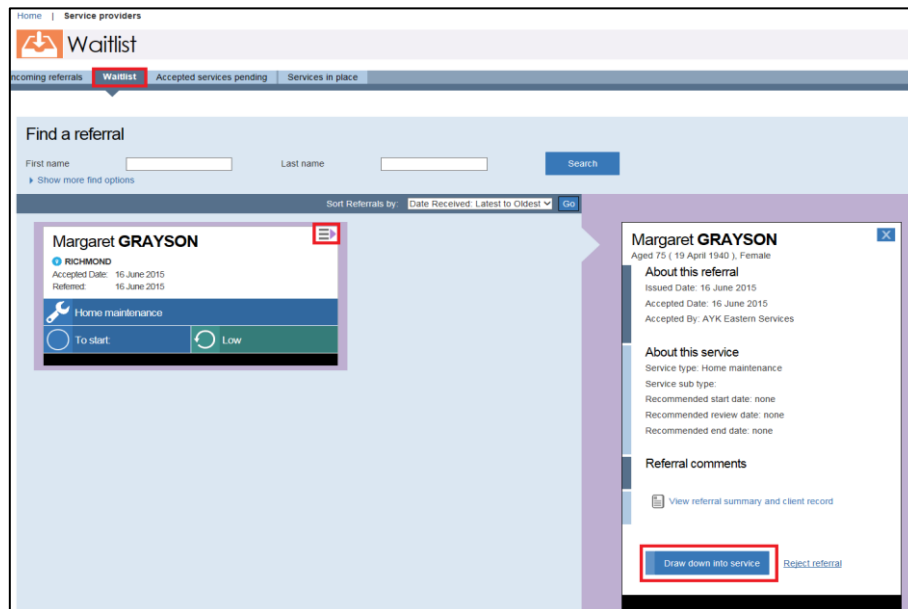

Step One: To move a waitlist from the provider portal homepage, select 'Service referrals'.

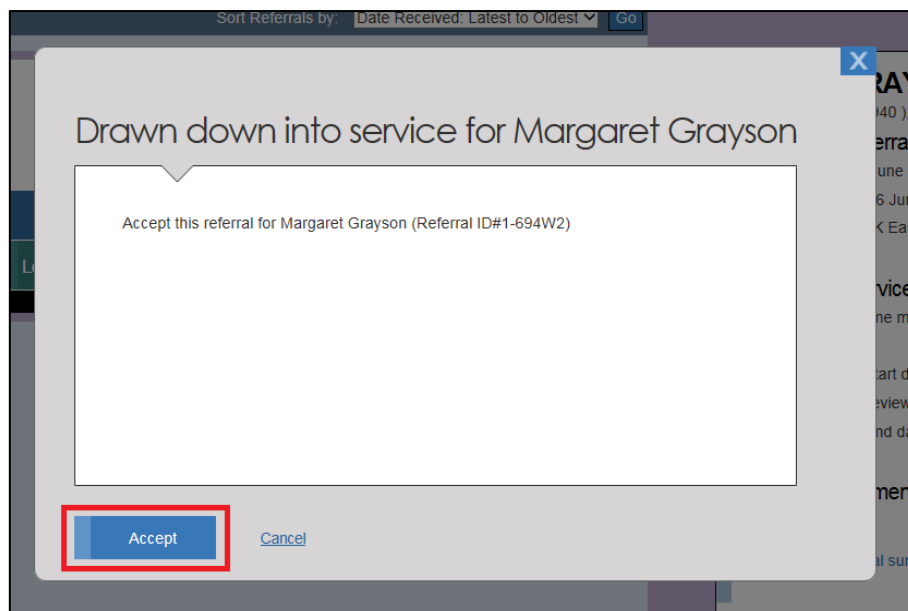

Step Two: Select the 'Waitlist' tab and then select the arrow on the 'Client card' you want to move.

Step Three: A summary of a client's information will be displayed on the right hand side of the screen. You can view client information by selecting the 'View referral summary and client record'. To move the waitlisted referral to 'Accepted services pending', select 'Draw down into service'.

Step Four: Confirm that you want to accept the referral by selecting 'Accept'. The referral will then appear in the 'Accepted services pending' tab.

Staff Member

Team Leader

3 Staff Member role

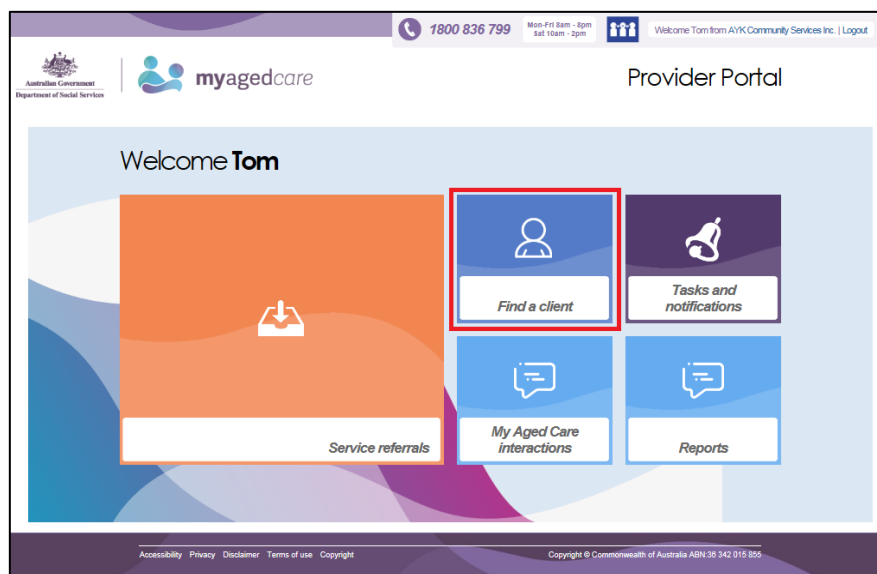

This section steps you through how to find a client, how to view client information and how to maintain client service details.

A person who performs the Team Leader role can perform the same functions as a Staff Member. Team Leaders also manage referrals as outlined in Section 2.

3.1 Finding a client

To find a client follow the steps below.

Step One: From the provider portal homepage, select 'Find a client'.

Step Two: You can search for a client using the client's first or last name. You only need to enter information into one search field. There is also an option to search using multiple search fields.

Step Three: Once you have entered the client's details and selected 'Search', matching results will be displayed.

The screenshot shows the 'Find a client' search interface in the My Aged Care Provider Portal. The header includes the Australian Government Department of Social Services logo, the 'myagedcare' logo, a phone number '1800 836 799', and a user welcome message 'Welcome Tom from AYK Community Services Inc. | Logout'. A navigation bar contains icons for 'Service referrals', 'Find a client', 'My Aged Care interactions', and 'Tasks and notifications'. The main content area is titled 'Find a client' and includes a sub-header 'Please enter at least one search parameter.' Below this are input fields for 'Aged Care User ID (e.g. AC12345678)', 'First name' (containing 'Maria'), and 'Last name'. A 'More search fields' link is present. A red box highlights the 'Search' button. Below the button, the 'Search results' section shows '2 matching results'. A red box highlights the first result, which is a card for 'Maria Thompson' with a location pin icon and the text 'RICHMOND VIC 3121'.

3.2 Viewing client information

As outlined in the Guidance for Providers document, you can only view information about clients that have been referred to your organisation.

To view client information follow the steps below.

Step One: Select the client's name on the 'Client card' from the search results (shown above in Step Three of Section 3.1). A 'Referral summary and client record' page will be displayed.

Service information

The following information is from the Department of Human Services claims system. It may take up to a month to be updated.

To view referrals for your organisation select 'Referrals for my organisation'.

To view the assessment history and client plans (action or support), select 'Plans'. You will be able to print assessments and plans from this page.

To view client approvals, select 'Approvals'.

The screenshot shows the 'myagedcare' portal interface. At the top, there's a header with the Australian Government logo, the 'myagedcare' logo, and a navigation bar with icons for Service referrals, Staff administration, Outlet administration, Find a client, Reports, My Aged Care interactions, and Tasks and notifications. Below the header, the user is logged in as 'Ebony from HUNTER NEW ENGLAND LOCAL HEALTH DISTRICT'. The main content area is titled 'Home | Care approvals' and shows client details for 'Samuel Johns' (Gender not specified, 84 years old, 10 December 1930). A tab bar at the top of the content area includes 'Client record', 'Referrals for my organisation', 'Plans', 'Approvals' (highlighted with a red box), 'Services', and 'Notes'. The 'Approvals' section displays 'Approvals' and states 'The client is approved for the following care types under the Aged Care Act 1997.' It shows 'Current care approvals' as 'No care approvals are available' and 'Approvals last updated' as 'Never'.

To view service information select 'Services'.

The screenshot shows the 'myagedcare' portal interface. The user is logged in as 'Ebony from HUNTER NEW ENGLAND LOCAL HEALTH DISTRICT'. The main content area is titled 'Home | Services' and shows client details for 'Samuel Johns' (Gender not specified, 84 years old, 10 December 1930). A tab bar at the top of the content area includes 'Client record', 'Referrals for my organisation', 'Plans', 'Approvals', 'Services' (highlighted with a red box), and 'Notes'. The 'Services' section displays 'Current services in place' (No commenced services found) and 'Services not yet in place'. A 'High' priority service is listed: 'Allied Health and Therapy Services: Occupational Therapy' provided by 'Allawah Day Care Centre'. Below this, there's a section for 'About this referral' with details: 'Referral details', 'Accepted date: 3 June 2015 6:44 pm', and 'Accepted by: Allawah Day Care Centre'. A 'Recommended dates' section shows 'Recommended start date: None', 'Recommended end date: None', and 'Recommended review date: None'. There's a button 'Add service information'. Below the service details, there's a 'Referrals' section stating 'Services that have been recommended but have yet to be accepted by a service provider' and 'No referred services found'. Finally, there's a 'Previous services' section stating 'No ceased services found'.

To view or add notes or observations about a client, select 'Notes'.

The screenshot shows the 'myagedcare' portal interface. The user is logged in as 'Ebony from HUNTER NEW ENGLAND LOCAL HEALTH DISTRICT'. The main content area is titled 'Home | Notes and observations' and shows client details for 'Samuel Johns' (Gender not specified, 84 years old, 10 December 1930). A tab bar at the top of the content area includes 'Client record', 'Referrals for my organisation', 'Plans', 'Approvals', 'Services', and 'Notes' (highlighted with a red box). Below the tab bar, there's a button 'Add an observation' (highlighted with a red box). The main content area states 'No notes found at this time.' At the bottom right, there's a 'View Notes' section with a dropdown menu set to 'Current notes' and a 'Go' button.

3.3 Completing identity verification

During the registration process, a client record is created. Client identification information is verified against records held at the Department of Human Services to ensure that duplicate client records are not created.

To complete the identity verification process, assessors or service providers will ask to sight **two types** of client identification documents.

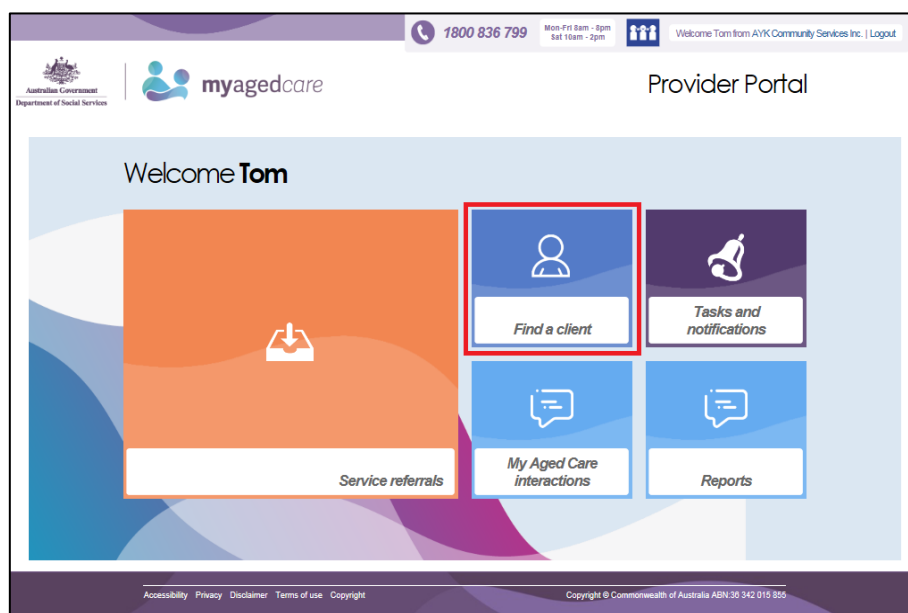

Further information about the identity verification process, including the role of the contact centre staff, assessors and service providers, and the list of identification documents, is in the My Aged Care Guidance for Providers document available on dss.gov.au/myagedcare.

It is expected that whoever has contact with the client in the first instance (i.e. an assessor or service provider) will sight the client identification and record this information on the client record via the assessor or provider portal.

The steps for recording that client identification has been sighted are outlined below.

Step One: From the provider portal homepage, select 'Find a client'.

Step Two: Follow the steps outlined in Section 3.1 to find a client, and then select the client's name on the 'Client card'. The 'Referral summary and client record' page will be displayed.

The screenshot shows the 'Find a client' search page. At the top, there is a header with the Australian Government logo, the 'myagedcare' logo, a phone number '1800 836 799', and a welcome message 'Welcome Tom from ANK Community Services Inc. | Logout'. Below the header, there are navigation tabs: 'Service referrals', 'Find a client', 'My Aged Care interactions', and 'Tasks and notifications'. The main content area has a 'Find a client' section with a search bar and a 'Search' button. Below the search bar, there are input fields for 'Aged Care User ID (e.g. AC12345678)', 'First name' (with 'Maria' entered), and 'Last name'. A 'More search fields' link is also present. The 'Search results' section shows '2 matching results' and a client card for 'Maria Thompson' with the address 'RICHMOND VIC 3121'.

Step Three: Select 'Conduct a wallet check now'.

The screenshot shows the 'Referral summary and client record' page for Mrs Maria Thompson. The header includes the Australian Government logo, the 'myagedcare' logo, a phone number '1800 836 799', and a welcome message 'Welcome Tom from ANK Community Services Inc. | Logout'. Below the header, there are navigation tabs: 'Service referrals', 'Find a client', 'Reports', 'My Aged Care interactions', and 'Tasks and notifications'. The main content area has a 'Referral summary and client record' section with a warning message: 'We still need to check the client's ID in person (a wallet check). Please verify the client's identity when you next see them (two pieces of ID such as a Medicare or Health card bill or other membership). Conduct a wallet check now'. Below this, there is a 'Client record' section with tabs for 'Referrals for my organisation', 'Plans', 'Approvals', 'Services', and 'Notes'. The 'About Maria' section contains personal information, communication requirements, and address details.

About Maria	
Need to update personal details? Call the Contact Centre on 1800 836 799	Personal information Born 19 April 1941, Australian, born in Australia, separated, lives alone
Communication requirements Prefers to speak English Does not need help to communicate	Address details Home address 17 CHURCH Street RICHMOND, VIC, 3121 Service delivery address

Step Four: Select the appropriate option from the list:

- 'My client has identification'
- 'My client has no valid identification this time'
- 'My client will be unable to produce valid identification'.

If you selected 'My client has identification', go to **Step Five**.

If you selected 'My client has no valid identification this time', or 'My client will be unable to produce valid identification', go to **Step Six**.

3.4 Adding service information

To add information about the services being delivered to the client follow the steps below.

Step One: Select 'Service referrals' from the provider portal homepage. Alternatively if you know the client's name you can go through 'Find a client'.

Step Two: Select the 'Accepted service pending' tab.

Step Three: Select the arrow on the 'Client card'. A summary of a client's information will be displayed on the right hand side of the screen. Next, select 'Add service information'.

The screenshot shows the 'Find a referral' section of the portal. At the top, there are tabs for 'Waitlist', 'Accepted services pending', and 'Services in place'. Below these is a search bar with fields for 'First name' and 'Last name', and a 'Search' button. A 'Sort Referrals by' dropdown is set to 'Date Received: Latest to Oldest'. A client card for Maria THOMPSON is displayed, showing her age (74), gender (Female), and service type (Allied Health and Therapy Services). A red box highlights an arrow icon on the top right of the client card. To the right of the client card is a summary panel for Maria THOMPSON, which includes sections for 'About this referral', 'About this service', 'Referral comments', and 'Client contact details'. A red box highlights the 'Add Service Information' link at the bottom of the summary panel.

Step Four: You must enter service start date and frequency information. You can also provide additional information in other fields. To save entered information, select 'Save changes'. This information will be displayed on the client record.

The screenshot shows the 'Add service information' form for Maria Thompson. The form is titled 'Add service information' and includes a sub-header 'You are about to add service information for Maria Thompson'. The 'Service type' is set to 'Allied Health and Therapy Services'. The 'Service start date' is set to '15/06/2015'. The 'Frequency' is set to 'Select one'. The 'Planned review date' is set to '15/06/2015'. The 'Service sub-type' section includes checkboxes for various services: Social Work, Dietician or Nutritionist, Occupational Therapy, ATSI Health Worker, Exercise Physiologist, Other, Restorative Care Services, Speech Pathology, Podiatry, Physiotherapy, Diversional Therapy, Ongoing Allied Health and Therapy Services, and Psychologist. The 'Recording a service end date' section includes a text box for the end date and a note: 'Entering a service end date will end this service for your client at that date. If you need to reinstate this service after that date, please call the Contact Centre on 1800 636 799'. A red box highlights the 'Save changes' button at the bottom left of the form.

3.5 Updating service information

To update information about the services being delivered to the client follow the steps below.

Step One: From the provider portal homepage, select 'Service referrals'. Alternatively if you know the client's name you can go through 'Find a client'.

Step Two: Select 'Services in place' tab.

Step Three: Select the arrow on the 'Client card'. A summary of a client's information will be displayed on the right hand side of the screen. Next select 'Update Service Information'

The screenshot shows the 'Services in place' tab of the portal. On the left, there is a 'Find a referral' section with search fields for first and last name. Below this, a list of referrals is displayed. The first referral is for Maria THOMPSON, aged 74, with a start date of 24 August 2015 and a referral date of 15 June 2015. The service type is 'Allied Health and Therapy Services: Podiatry' with a 'Low' priority. A red box highlights the arrow icon next to this card. The second referral is for William BLAGDEN, with a start date of 10 August 2015 and a referral date of 12 June 2015. The service type is 'Home maintenance: Garden Maintenance' with a 'Medium' priority. On the right side of the screen, a summary of Maria THOMPSON's information is displayed. This includes 'Client contact details' (Preferred contact number: 0392009200), 'From the assessor' (Accepted Date: 15 June 2015, Recommended start date: none, Recommended review date: none, Recommended end date: none), and 'From the service provider' (Service type: Allied Health and Therapy Services, Service sub type: Podiatry, Service frequency: 2 per Days per week, Start date: 24 August 2015, Planned end date: none, Planned review date: 23 October 2015). At the bottom of this summary, there is a 'View client record' link and a red box highlighting the 'Update Service Information' link.

Step Four: Update service information, and select 'Save changes'. This information will be displayed on the client record.

The screenshot shows the 'Update service information' dialog box for Maria Thompson. The dialog box contains the following information: 'You are about to update service information for Maria Thompson.' Service type: Allied Health and Therapy Services. Service start date: 24/08/2015. How frequently is this service provided?: 1 Days per week. Planned review date: 23/10/2015. Service sub-type: Social Work, Dietician or Nutritionist, Occupational Therapy, ATSI Health Worker, Exercise Physiologist, Other, Restorative Care Services, Speech Pathology, Podiatry (checked), Physiotherapy, Diversional Therapy, Ongoing Allied Health and Therapy Services, Psychologist. At the bottom of the dialog box, there is a 'Save changes' button (highlighted with a red box) and a 'Cancel' button. The background shows the 'Find a referral' section and the client card for Maria Thompson.

3.6 Adding notes and observations

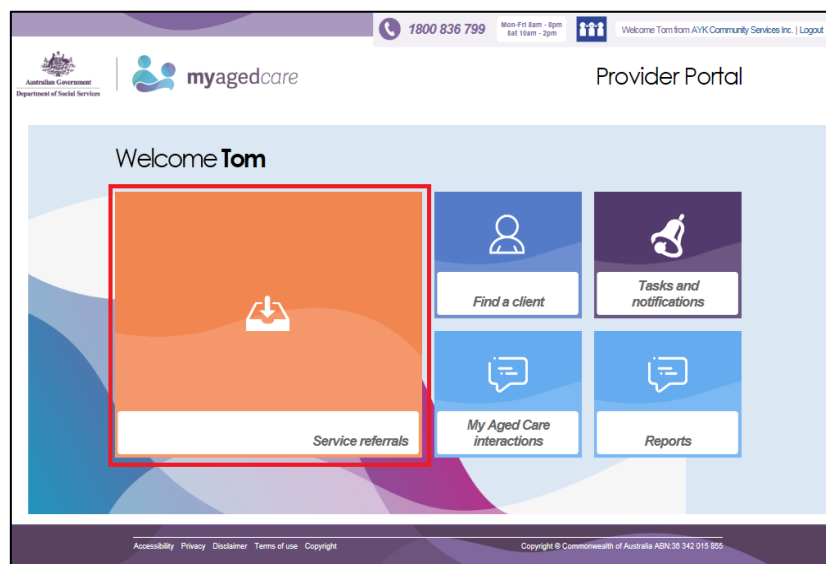

You can add notes and observations about a client via the provider portal. You can choose to use this feature to record notes about a client, but this is not mandatory. You can also upload attachments, including handwritten notes and observations.

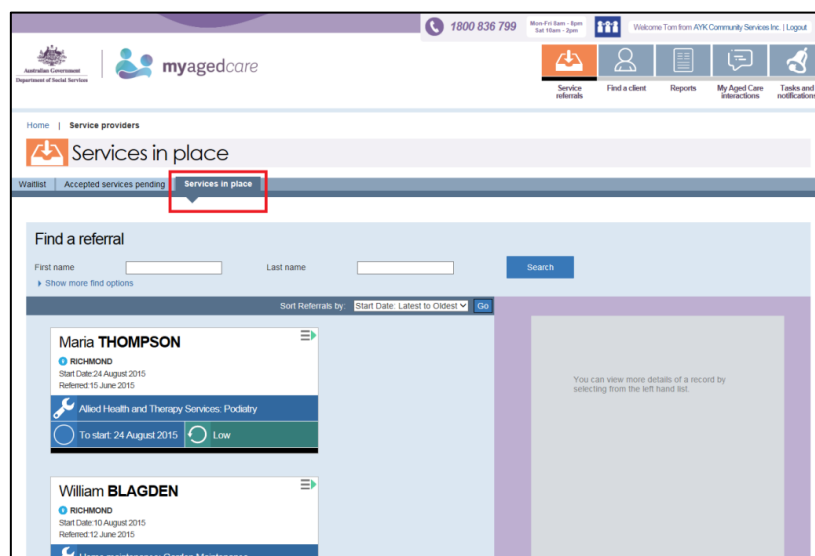

Assessors and contact centre staff can view any notes or observations you add to the client record. The client will not be able to view these notes and observations via the client portal.

To add notes and observations about a client follow the steps below.

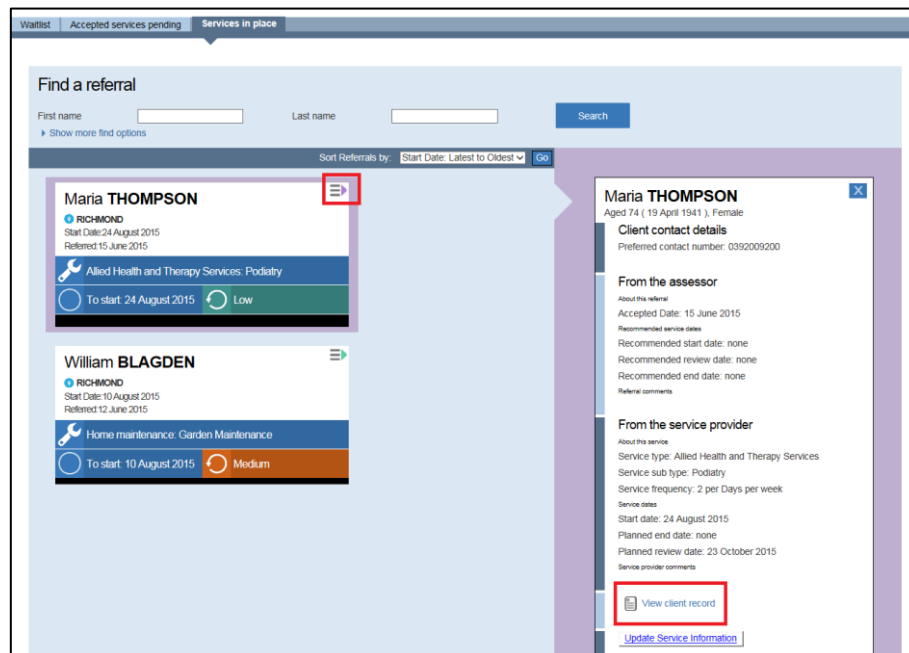

Step One: From the provider portal homepage, select 'Service referrals'. Alternatively if you know the clients name you can go through 'Find a client'.

Step Two: Select 'Services in place'

Step Three: Select the arrow on the 'Client card'. A summary of a client's information will be displayed on the right hand side of the screen. Select 'View client record' and the 'Referral summary and client record' page will be displayed.

Step Four: Select 'Current notes and observations', and then select 'Add an observation'.

3.7 Requesting a new assessment

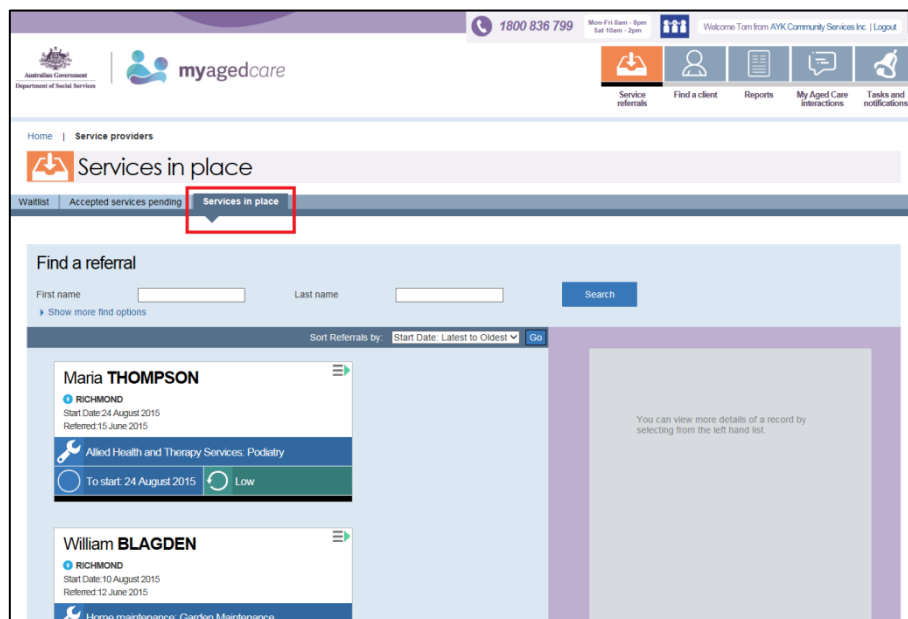

A new assessment should be requested when a client's needs have changed significantly.

To request a new assessment for a client follow the steps below.

Step One: From the provider portal homepage, select 'Service referrals'.

Step Two: Select 'Services in place'.

Step Three: Select the arrow on the 'Client card'. A summary of a client's information will be displayed on the right hand side of the screen. Select 'View client record' and the 'Referral summary and client record' page will be displayed.

The screenshot shows the 'Find a referral' interface. At the top, there are tabs for 'Waitlist', 'Accepted services pending', and 'Services in place'. Below these is a search bar with fields for 'First name' and 'Last name', and a 'Search' button. A dropdown menu for 'Sort Referrals by' is set to 'Start Date: Latest to Oldest'. The main area displays two referral cards. The first card for Maria THOMPSON is highlighted with a red box around the arrow icon. The second card for William BLAGDEN is below it. To the right, a detailed view of Maria's referral is shown, including client contact details, assessor information, and service provider information. A red box highlights the 'View client record' button at the bottom of the right-hand panel.

Step Four: Select 'Support plan' and then select 'Request assessment' or 'Request reassessment'. The option (assessment or reassessment) will depend on whether your client has previously been assessed.

The screenshot shows the 'Client record' page for Maria. The page is divided into several sections: 'About Maria', 'Personal information', 'Communication requirements', 'Address details', 'Identity documents (ID)', 'To contact Maria', 'Payment details', 'Service information', 'Health insurance', 'Relationships', 'Current notes and observations', and 'Services in place'. The 'Support plan' button is highlighted with a red box in the 'Current notes and observations' section. Below this, a red box highlights the 'Request reassessment' button in the 'Services in place' section.

A warning note will remind you to discuss the request with the My Aged Care contact centre or the assessor who conducted the last assessment before submitting the request via the provider portal.

Step Five: After discussing the request with the assessor, enter a reason for the request in the free textbox. Select 'Submit request'. The request will automatically be sent to the appropriate organisation (i.e. to the last person who screened or assessed the client).

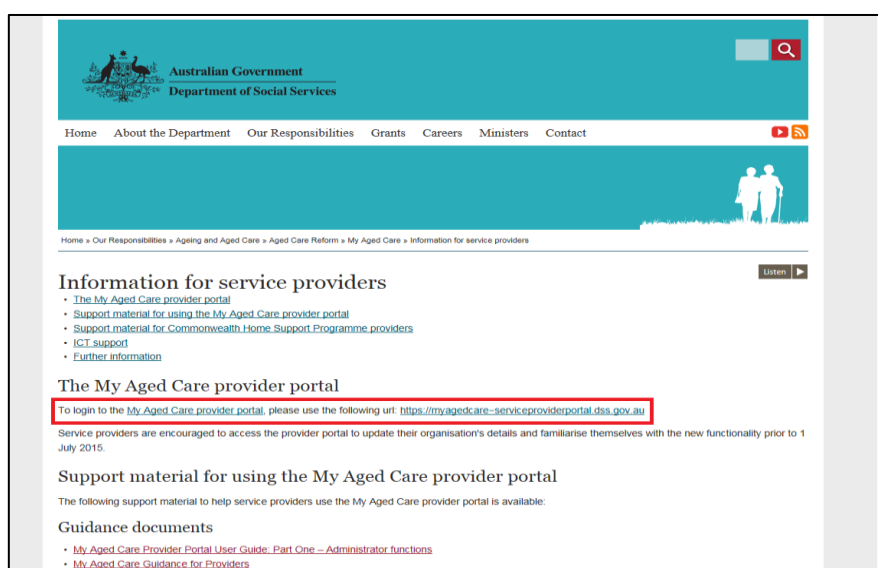

Attachment A – First time login to the provider portal

Before you log in to the provider portal for the first time, you need to activate your account by completing the following steps.

You must have an individual AUSkey linked to your organisation to access the provider portal. For more information, visit <https://abr.gov.au/AUSkey/>.

Step One: Go to the 'Information for service providers' section of the DSS website (<https://www.dss.gov.au/information-for-service-providers>) and select the 'My Aged Care Provider Portal' link. The provider portal can also be accessed at: <https://myagedcare-serviceproviderportal.dss.gov.au>

Step Two: An Australian Government 'Authentication Service' screen will be displayed. Select your AUSkey credentials from the drop down list, then enter your AUSkey password and select 'Continue'.

Step Three: A DSS 'Request activation code' screen will be displayed. Enter the email address that is linked to your portal user account, and select 'Continue'.

Australian Government
Department of Social Services

1 Request activation code 2 Confirm activation code 3 Finish

Request activation code for Aged Care Provider Portal

Please enter the email address that was provided in your user access request form. An activation code will be sent to this email address with instructions on how to complete the account activation process.

[Cancel](#) [Confirm](#) [Resend activation Code](#)

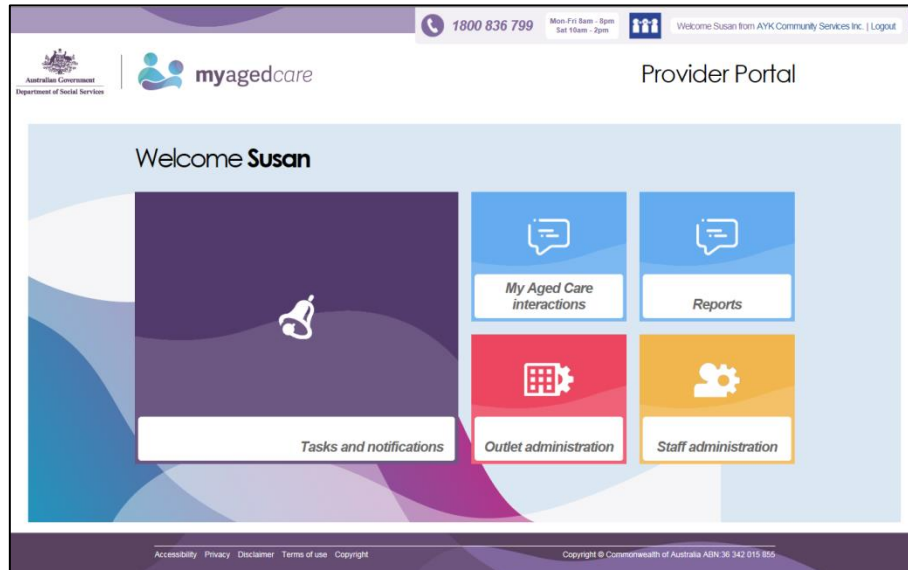

Your activation code is only valid for five days. If you require a new activation code, select 'Resend activation Code'.

Step Six: Select 'Go to My Aged Care provider portal' to be directed to the provider portal.

Step Seven: The provider portal home screen will be displayed.

You have now set up access to the provider portal. The next time you log in, follow the steps in Section 1.6.

Attachment B: Generating reports and accessing forms

Service providers can generate and view reports and access forms via the provider portal.

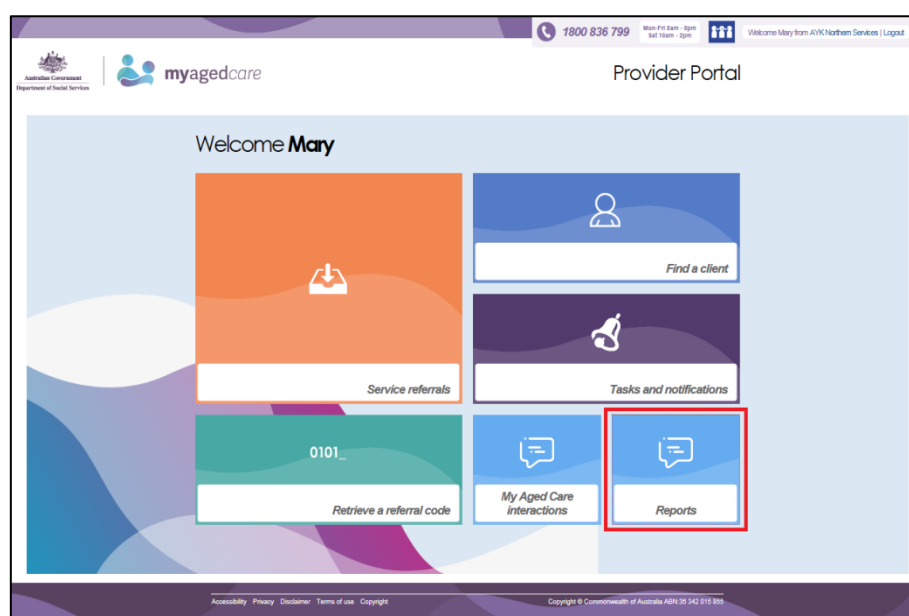

You will also be able to use the 'Reports' feature to print documents, including completed NSAFs and letters.

For more information about the reports and forms available in the provider portal, see Guidance for Providers.

1 Generating reports

The steps to generate a report are outlined below.

Step One: Select 'Reports' from the homepage. The 'Reports and forms' page will be displayed.

Step Two: The 'Reports and forms' page features a 'Reports' tab and a 'Forms' tab. The reports tab displays a list of 'Recently Requested Reports' and 'Reports'.

Step Three: To generate a report, select the name of the report in the 'Reports' list that you would like to generate.

2 Viewing reports

The steps to view reports are outlined below.

Step One: Select 'Reports' from the homepage. The 'Reports and forms' page will be displayed.

Step Two: In the 'Recently Requested Reports' list, select 'View' beside the report you would like to view.

Step Three: Select the action you want to complete: 'Open', 'Save' or 'Cancel' the report.

The screenshot shows the My Aged Care Provider Portal interface. The top navigation bar includes the Australian Government Department of Social Services logo, the myagedcare logo, and a series of icons for Service referrals, Retrieve a referral code, Find a client, Reports, My Aged Care interactions, and Tasks and notifications. The main content area is titled 'Reports and forms' and has a 'Reports' tab selected. Below this, there are two tables: 'Recently Requested Reports' and 'Reports'. The 'Recently Requested Reports' table has columns for Name, Requested Date, and Status. The 'Reports' table has columns for Name, Description, and Formats. At the bottom of the page, a download dialog box is open, asking 'Do you want to open or save BIP ACG SP Workload Management Report.PDF (106 KB) from usa-myagedcare-serviceproviderportal.fms.gov.au?'. The dialog box has 'Open', 'Save', and 'Cancel' buttons. The 'Open' button is highlighted with a red box.
