

ASSESSMENT VOUCHER

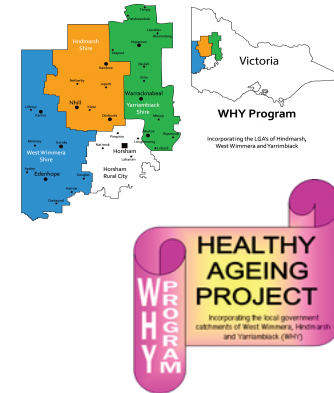

Why an Assessment Voucher? We value your health and wellbeing and encourage you to take advantage of this assessment opportunity.

What are we offering? **FREE ASSESSMENT with an Occupational Therapist AND Physiotherapist**

HACC program support is available to community members who are frail and elderly, disabled or are primary carers.

The WHY program provides Home and Community Care (HACC) services within West Wimmera Shire, Hindmarsh Shire & Yarriambiack Shire.

In Grampians Region we promote and encourage everyone to value the importance of making the most of their health and lifestyle choices.

How to take advantage of your ASSESSMENT VOUCHER

If you are eligible for Home and Community Care support - make a booking at your local services provider: If you are unsure if you are eligible ring and ask.

West Wimmera Health Service (03) 5391 4222

If you are already using Home Care services at Hindmarsh Shire you can ask them to assist you to make the referral if needed: (03) 5391 4444

When you ring for an appointment please tell them you have an Assessment Voucher and take the voucher with you to your appointment.

If you and your therapist decide that you require a treatment program or further service you will be offered a choice of where and how you can access that service.
