

## Podiatry Presentation: Evaluation

What does podiatry mean to you?

Before Session	
After Session	

What does basic foot care mean to you?

Before Session	
After Session	

List as many foot health problems/issues that you can think of that you may come across in your role as a DCW:

Before Session	
After Session	

Can you think of any different options (services or methods) for basic foot or nail care if a person has healthy feet and nails?

Before Session	
After Session	

Do you currently look at your client's feet, support them with any foot care activities or ask them about any foot issues on a regular basis?

Yes  No

If yes – what do you do?

Before Session	
After Session	

How does a client access the EWHS podiatry service (what would you tell the client if they ask)?

Before Session	
After Session	

**Before the session:** Please indicate how confident do you feel about discussing foot care issues with your clients?

Not at all  Unsure  A little  Moderately  Very Confident

How confident do you feel **after the presentation** about discussing foot care issues with your clients?

Not at all  Unsure  A little  Moderately  Very Confident

*Thank you for your time – your feedback is an important part of this project*
